**Arriving by plane**

Bydgoszcz has a new airport Bydgoszcz I.J. Paderewski Airport situated less than 5 km south of the city centre. Ryanair operates routes to the UK, Ireland and Germany. Bydgoszcz is also home to a small airline, Jetair (www.jetair.pl) which gives the city some of the best internal flight connections in the country. It is possible to fly to Warsaw, Lodz and Poznan directly as well as to Berlin, Copenhagen and Vienna. On the main ground floor area there is an airport information desk which although primarily there to help with flight information is happy to give you advice on getting to town etc. Upstairs find a café and little else. **Bus No 80** leaves from outside the main exit and goes to the city centre. Buy a ticket from the driver for 2.60zł. Taxis can be found...
parked outside after flights arrive. You are expected to pay between 15zł and 20zł to get to the city centre, a journey which should take no more than 15 minutes if there is no traffic.

Website: Bydgoszcz I.J. Paderewski Airport  http://www.plb.pl/

Arriving by train

The main train station, Bydgoszcz Główna, is about 1km northwest of the old town. On alighting from your train head down into the subway and follow the crowd to the Hala Główna (main hall). On your way you will spot a couple of newsagents which are capable of selling you public transport tickets. Single student ticket costs 1,30 zł. The main hall contains an ATM, as well as more newsagents, a train info point (some English spoken) and a 24hr food cabin right outside. To get to the centre head out of the doors and to the bus stop straight across the road on ul. Dworcowa. If you are using a taxi then you will find taxis standing to the right of the main entrance. These will usually charge you about 15zł to get to the old town, though you can make a considerable saving by phoning ahead.

Arriving by bus

PKS Bydgoszcz offers - inter-city and international bus routes. A Tourbus office can give you information and sell you bus tickets. While closer to the market square than the train station it is still a good 20-30 minute walk away. Trams travel down ul. Jagiellonska and take about 5 minutes. Tram number 4 will drop you at the bottom of ul. Gdanska from where the square is a 2 minute walk away. Trams 3 or 8 continue straight on and you should get off on ul. Focha. ul. Jagiellońska 58. Ticket Office Open 06:00-20:00, Sat, Sun Closed.

2.3 PUBLIC TRANSPORT

Dozens of buses and trams plough the streets of Bydgoszcz. Tickets can be bought from kiosks around the city or straight from the driver. Do not forget to validate your ticket in the machine when you board. Tickets cost 2.60 zł for a single journey ticket. With valid student card you will pay 1,30 zlotys for a single journey ticket. Note that a single journey means a trip on one tram or bus not a point to point journey. One hour tickets cost 3.60zł and an all-day ticket 12zł. Note that there are no concessions for foreigners. The fine for travelling without a valid (or validated) ticket is 130zł.

2.4 TOURIST INFORMATION

Municipal Tourist Information Office -offers advice in Polish, English and German. The very friendly people will help you with maps, guides, events calendar as well as a range of Bydgoszcz souvenirs. They also run an information point which distributes maps and gadgets from a meticulously renovated old tram situated on Długa Street near the Old Market Square.

2.5 HEALTH

EU/EEA Citizens

Poland has the health care system based on general health insurance. Persons covered by the general health insurance are entitled to free health services in the territory of Poland at the health care providers who have concluded contracts with the National Health Fund (NFZ - Narodowy Fundusz Zdrowia). The National Health Fund is the institution, which is responsible for assuring health services for insured persons and members of their families).

Erasmus students (having so called legitymacja studencka - student's card - issued by the host university) are allowed to consult doctors at academic medical care centers.

During a temporary stay in Poland, a person entitled to health care under EEA rules can receive health services in the following areas: primary health care, specialist out-patient care, hospital treatment, dental treatment, rescue services and ambulance transport.

In case of necessity of providing medical care, a student from a member country staying temporarily in the territory of Poland is entitled to free health care on the basis of the European Health Insurance Card (EHIC) or in particular cases on the basis of a special certificate. The
student is obliged to present one of these documents (it is advisable to have also a copy) together with an identity document directly to the public health care provider.

The student will receive free health services at health care providers who have concluded a relevant contract with NFZ.

In case of lack of the European Health Insurance Card or equivalent document, the patient will be obliged to cover costs of treatment by himself. The same obligation arises in case of treatment provided by a health care unit which has no contract with NFZ. If there is a need of hospital treatment, a doctor's referral is required.

In case of sudden illness, accident, injury, intoxication, life threat, a patient receives necessary medical benefits without referral. A patient, who presented the European Health Insurance Card or a certificate, receives free hospital treatment within the general health care system. Apart from academic and public medical care system there is also a well-developed private sector. The costs of medical care may be reimbursed if a student has purchased a health insurance policy in his country before departure.

Non-EU/EEA citizens
The students from non-EU/EEA countries should purchase health insurance in their home country, before departure. In case of the ISIC or Euro<26, insurance is included in the card and the student does not need to buy another one unless he/she wants to increase its scope or value. Erasmus students (having so called legitymacja studencka - student’s card - issued by the host university) are allowed to consult doctors at academic medical care centers. Anyway, according to state health regulations foreigners (except the EU/EEA citizens, see above) have to pay for a medical consultation. The cost is then reimbursed by the health insurance company. More information can be found on The National Health Fund website: http://www.nfz.gov.pl/ue/?katnr=5&dzialnr=2&artnr=716&czartnr=2

2.6 TEMPORARY RESIDENCE PERMIT

EU/EEA citizens
An EU citizen can enter Poland with his/her ID document (a valid travel document e.g. passport, or another document certifying his/her identity and citizenship). For stay up to 3 months no legalisation of stay will be necessary. For stays exceeding 3 months, an EU citizen will have to obtain a temporary residence permit (Karta pobytu obywatela UE). In case of students, the residence permit is issued for one year. The residence permit - once issued - will also entitle its bearer to take up work. This document will be issued by the Department of Citizens Affairs of the Voivodeship Office (province administration, in Polish Urząd Wojewódzki). Charge for issuing of the residence permit is 30 Polish zlotys (ca 7 Euro). Institutional Erasmus Co-ordinator will help you to obtain the residence permit.

Temporary residence permits will be granted to European Union citizens who have health insurance and sufficient resources to cover their expenses without needing social security support.

Documents that have to be submitted by the student to in order to obtain the residence permit:

- copy of the travel document (passport or other ID document)
- Health insurance document
- official letter of acceptance from Kazimierz Wielki University (with information about the planned period of study)
- declaration about sufficient resources to cover the subsistence costs in Poland
- 2 photographs (but you are kindly asked to bring 4 photographs)
- Application form (Wniosek o zezwolenie na pobyt, in Polish)

Citizens of the EEA countries are subject to the same conditions as the EU citizens. The citizens of Switzerland can enter Poland only on the basis of a valid passport. See also the web site of the Polish Ministry of Foreign Affairs, international version, or the Polish Embassies / Consulates in Europe.
Non-EU/EEA citizens

Visa
A citizen of a non-EU/EEA country can enter the territory of Poland on the basis of a valid travel document (passport) and a visa (if required). A citizen of a non-EU country has to obtain the visa from the consulate of Poland in his/her country of residence. The short-term visa entitles to stay in Poland up to 3 months, the long-term visa - up to 1 year. The prolongation of visa in Poland is only possible in case of a force majeure or situation impossible to foresee while applying for the visa in the consulate. The visa can be prolonged only once. It is therefore necessary to apply for a visa in a consulate for the whole planned period of stay in Poland.
For details please contact the Polish Embassies / Consulates in Europe.
